Interactive Murder Mystery Events

The Tourist Board  **MEMBER**

A Money Penny Murder Mystery Event is ideal entertainment for any group of guests between 10 and 110 looking to be thrilled for 2 hours. It's a unique blend of live theatre and audience interaction with the emphasis on FUN! With actors as Suspects and the audience as teams of Detectives, Money Penny Productions produce an evening of compulsive entertainment at a price as cut-throat as the performance(*).

Every Money Penny Murder Mystery Event comes complete with a costumed cast, digital sound, complete event liability cover, props and an original crime. The event involves all of your guests as teams of Detectives. They must attempt to solve a deadly who-dun it by answering three simple questions:

WHO committed the crime,
HOW and **WHY?**

Our events are ideally accompanied by a meal and begin with the audience witnessing scripted scenes featuring events that took place in the run-up to the ghastly crime! Your guests will meet each of the Suspects who join them at their tables to be interrogated. "Have you ever had an affair?" "How much money do you have?" "Have you ever been blackmailed?" These are the questions we get asked the most - and who wouldn't want to ask other people them? It's the best excuse for being nosy and getting away with it you'll ever have.
